

Headline: Matt Wayne, MD, CMD, elected VP of AMDA

Matthew S. Wayne, MD, CMD, was elected Vice President of the American Medical Directors Association (AMDA) for the coming year, March 2010-March 2011, at the recent national AMDA meeting in Long Beach, California. Matt served as President of the Ohio Medical Directors Association 2007-2009. Congratulations to Matt who has our support as he continues to provide leadership regionally and nationally for the long term care network.
