

We invite you to sponsor Ohio's most comprehensive conference for Geriatrics and the care of frail elders:

**October 3-5, 2008
Columbus, Ohio
The Concourse Hotel and Conference Center.**

This event is a collaboration of the three major geriatric organizations in Ohio:

- ***Ohio Medical Directors Association (OMDA)***
- ***Ohio Geriatrics Society (OGS)***
- ***Ohio Chapter of the American Society of Consultant Pharmacists (ASCP)***

The conference features plenary sessions and didactic sessions on home health practice, liability issues in the nursing home, urinary incontinence, dementia and depression in the elderly, management of chronic diseases in the frail elderly, wound care, new drugs, weight loss management and much more!

We anticipate the conference will draw at least 125 providers. Attendees are leaders and decision-makers for care provided in nursing homes, hospitals, and academic centers in the state of Ohio.

This conference is an opportunity for your company to be seen and heard, for your products to be displayed and discuss, in a setting of physicians, pharmacists, and nurse practitioners who specialize in the care of older adults. Attendees will be given ample time to network including 2 hours during an opening reception on Friday evening, 60 minutes on Saturday morning prior to the start of the morning session, and 30 minutes during the mid-morning break.

Several sponsorship opportunities exist to support our conference, please see the following page. Unrestricted Educational Grants are also requested to support our educational sessions. Interested sponsors should complete the attached application for sponsorship of our conference. Payment is required thirty days in advance of the conference to secure your opportunity.
